

*Where Sun meets Moon,
and Flavor meets Soul.*

Nestled along the pristine shores of paradise, Soluna is a sanctuary of flavors, where the rhythm of the ocean meets the essence of fresh, coastal cuisine. Located in a luxurious five-star beachfront resort, Soluna invites you to indulge in an unforgettable dining experience, perfect for both sunlit afternoons and moonlit evenings.

Our menu celebrates the vibrant tastes of the sea and land, featuring zesty ceviches, just-caught fish, and farm-fresh vegetables—all crafted with a commitment to sustainability and seasonality. Every dish is a tribute to the natural beauty that surrounds us, prepared with care and presented with effortless elegance.

Artist Statement:

Hi, I'm Liv! A graphic designer with a passion for sports and storytelling. My work is all about bringing brands to life, whether that's through social media graphics, print materials, or design systems. I love using design to capture the energy and identity of a team, a moment, or a mission. For me, design isn't just about how things look; it's about how they make people feel and connect with the world around them. From early brainstorming and sketching to final execution, I enjoy collaborating to understand a vision, explore ideas, and create work that's thoughtful, exciting, and true to a brand. Every piece I make is meant to tell a story and reflect the people behind it. My goal is to keep growing as a designer and to continue making work that inspires, includes, and celebrates.
