

# PERSPECTIVES

## ON THE POUDRE

CSU's Center for Collaborative Conservation

shared language

This is a conversation for everyone!

The Poudre can serve as an

### INNOVATION

Academic Researchers  
Environmentalists  
Conservationists  
Ideas → Small farmers

Who are the different users?

### EDUCATION

Preserving our HERITAGE and HISTORY

Field trips for 6th Graders

Watershed Approach

### REGION as a SYSTEM

Common Goals

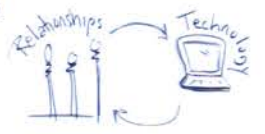

### Poudre River Forum

An Opportunity to learn and share

Meet agricultural users where they are

Weld County

### Partnerships

Healthy AND Working

### FREE-FLOWING

Store it in the Soil!

Clean Water

Water "rights" vs. water "wrong"

Keep it local Water

### Water Sharing groups

Challenge in a Growing Colorado

Bring Diverse stakeholders together
