Dear Pete:

I want to thank you for your generous donation of \$500 towards the 16th Annual Industrial/Organizational Behavior Graduate Student Conference. Your support will make a difference in the success of this meeting which is entirely organized by students. I am very pleased by your support of this program to help in the professional development of our I/O graduate students. I look forward to working with you in the future. All the best during 1995!

With best regards,

John C. Raich
Dean
